WE NEED YOU, OUR PARTNERS, NOW MORE THAN EVER TO CARE FOR OUR CHILDREN.

Did you know that each year Grace International cares for more than 15,000 children in Haiti, through our school programs, our children's Feeding program "The Lord's Kitchen", our orphan Homes, our Children's Christmas Celebration – feeding and toys distribution? Did you know that Grace International runs an elderly widow's Home to provide care to many widows in Haiti?

"For over 43 years, our ministry has been blessed to serve the people of Haiti. Our mission is to follow the command of our Lord and Savior Jesus Christ in working with the poorest of the poor and oppressed, promoting human transformation. Because of your faithful prayer and support, we are able to provide care for boys, girls and widows."

Thank you for being part of God's story of restoration in Haiti.
