Grace International Inc. Newsletter

Summer/ Fall, 2016

TV AND RADIO BROADCASTING

Grace has been blessed with a TV and Radio Broadcasting License to continue preaching the gospel in Haiti. There is a Spiritual Revival taking place in Haiti. We are now broadcasting faith building teaching and music 24 hours a day, to strengthen God's beloved people of Haiti. All our partners and friends can tune in to our programs streamed online from Haiti at: www.radiotelegrace.com.

The TV broadcasting ministry is hoped for in the future.

Grace now has its first solar panel and an array of storage batteries which power Grace's new radio station, broadcasting God's word to Haiti.

Grace plans to purchase solar panels for both the Guest/Hospital building and the Girl's Home. Proposals have been received and we trust in God for the finances!

The solar panels cost \$500 a piece: batteries and installation are extra. Any contribution towards this project will be appreciated.

COMMUNITY EMPOWERING PROJECT

Grace's Haiti Empowerment Program, partnering with the American Red Cross, is helping 120 families from Lambi and Carrefour to become economically sustainable. Participants meet twice a week for five months and study how to successfully run a business. They also meet individually with their instructors for review and personal assistance. The first class of sixty participants will be graduating this August.

SUNSHINE HOME: We thank God and our Amazing Partners for the down payment on the property for our Sunshine Boy's Home in Peggyville, Petionville. As many know, we have been told we must separate the boys and girls homes.

MY NEIGHBOR'S CHILDREN: We thank God for making possible free checkups and medical care provided for our children by *My Neighbor's Children* and *Sunshine Operation*.

SCHOOL CHILDREN: Thanks for those partners who answered the call to help pay for the final exams tuition, and Fish Creek Community Church and Grace Chapel Church for supporting our feeding program. All our children were funded, fed and able to take their final exams. School will reopen in September. We thank God for those of you who have been supporting children in school and hope you will be able to continue to do so. Those who are able may start sending their support funds as soon as possible.

UPDATED CHILDREN'S INFORMATION: Much appreciation goes to Delynn Bushouse-Williams, Brittney Miller and Erin Harris of the Michigan and North Carolina teams for updating our children's information. Special thanks to Bridgeway and Christ Community Church for their help in obtaining sponsorships and contributions.

Grace International Inc. in an effort to help more children and families has launched a new campaign tool that will allow anyone to get involved and be a blessing to our ministry where ever you are.

This new tool will continue to bring life saving and changing assistance to many more families this year. Please visit our website www.graceintl.org click on the *Get Involved* and *Fundraising for a Cause* for more information on how you can help.

TRANSITIONAL HOME:

Hope of the World Ministries has been a contributor toward the construction of this new Girls Home. With the help of the Key Biscayne Community Church and their Missions Chair, Eric Labrador, basecoat paint was purchased and applied last Christmas. The remaining basecoat was applied in January by Christ Community Church from Camp Hill, PA, with Pastor Jeremiah Grube. Also, last Christmas, Renewed Strength Church with Pastor Mark from Ohio built a staircase.

ACCREDITATIONS:

COMBINED FEDERAL CAMPAIGN: Grace now has accreditation by Christian Charity Services which links with Combined Federal Campaign. This enables government employees to contribute tax deductible gifts to Grace thru their workplace.

GUIDESTAR: We have a Gold Level rating with Guide Star and they tell us it is because of our accountability and transparency. Bishop Jeune worked tirelessly to provide them with all the information they needed

ECFA: This July we renewed our accreditation with the Evangelical Council for Financial Accountability.

GREAT-NON-PROFITS.ORG: Grace received the highest rating of 5 stars!

CHARITY NAVIGATOR: Bishop Jeune is pursuing our accreditation with Charity Navigator. These accreditations will help us to be seen by foundations as reliable and worthy of their donations. We continue to be amazed at all the work Bishop Jeune and Sister Doris are able to accomplish with the help of God!

NEWS CONTINUES.....

BOY'S HOME:

Many thanks to the Kentucky Team lead by Mike Taylor and Ron Wyatt for the work done in June at our Boy's Home! We appreciate all the new toilets, refurbished tiled showers, plumbing, painting, new mattresses (with plastic covers), sheets, pest control, Brigade uniforms, clothing as well as 60 new metal plates and cups.

Thank you for the new mattresses at Grace Boy's Home. (Pictured Below)

MICHIGAN TEAM:

While on their mission visit with us, Pastor Eric Jarvis and his Michigan team engaged the Boys and Girls in various activities including VBS, a beach outing, cooking, and woodworking classes and sent all our boys to Brigade Scout Camp! Thank you so much!

ANNUAL WOMEN'S CONFERENCE

More than 600 ladies from all over Haiti traveled to Grace's Waney Church to participate in this annual event.

Each evening this number swelled to more than 1000. Visiting speakers included Pastor Olivia Moore from Words of Life in Miami who ministered to both the congregation as a whole and also held daily group sessions for the younger ladies.

Sister Suzi Fischer, Music Director of the Key Biscayne Community Church, taught new worship songs in Creole and English.

Sabrina Cauvin, a Medical Student and Kathy Keith RN, both from Florida, shared about relevant health issues and checked blood pressures.

Each day at 12 noon we joined with many others across Haiti in dedicating Haiti to God with prayer, intercession and praises.

Thursday, Bishop Jeune ministered and then led the ladies in a triumphant Jericho march around the property next door, which Grace needs to purchase for building over the new Waney Church. The tarps over our existing Waney tent church, which had been used since the earthquake of 2010, can no longer keep out the rain. Please pray for our new land and church and the necessary funds to build it.

Women's conference participants each received a bag with toiletries and gifts. Thanks to Sarah Broomell and her faithful women's group.

Optometrist, Dr. Gladimir Pierre explained many eye problems and on Friday was able to fit many of our ladies with donated eye glasses.

CHRISTIAN EMERGENCY RELIEF TEAM

This past January, A group from Christian Emergency Relief Team (CERT), installed partitions, plumbing, electrical connections, walls and refurbished the Girl's Home swing set. CERT will return this September to bless us with additional improvements.

ENGLISH CLASSES Brittney Miller of Pastor Eric Jarvis' team and Erin Harris of the Raleigh First Assembly of God team, taught English to people from the local community, daily, for more than a month during their stay as missionaries at Grace during the months of June and July 2016.

The management and staff of Grace International Inc. thank you for all your love and support. May God continue to bless you and your family as you give to others in need.

Psalm 41:1 (NKJV) Blessed is he who considers the poor; The Lord will deliver him in time of trouble.
